

# OpenVMS VAX Online Documentation Library

---

## Master Index

Order Number: AV-PZQ9W-RE

**September 1997**

This document lists all products for this release of the OpenVMS VAX Online Documentation Library.

**Revision/Update Information:** This revised document supersedes AV-PZQ9V-RE.

**Digital Equipment Corporation  
Maynard, Massachusetts**

## OpenVMS VAX September 1997 Online Documentation Library Master Index

This master index lists the products for which documentation is included on the OpenVMS VAX Online Documentation Library discs, as well as products that have been removed since the last issue:

Table Number	Description
Table 1-1	Lists all products included on the September 1997 Online Documentation Library CD-ROMs.
Table 1-2	Lists products that have been removed from the September 1997 Online Documentation Library CD-ROMs. It also provides the CD number from the <i>June 1997</i> issue of the Online Documentation Library. To retain a copy of the documentation for any of these removed products, be sure to keep the indicated CD from the June 1997 release.

The columns in Table 1-1 and Table 1-2 contain the following information:

Column Name	Column Contents
Product Name	The name of the product.
Vers	The version number of the product.
UPI	The unique product identifier.
CD	The number of the disc on which the product is located.
Status	<b>NEW</b> indicates a new addition to the CD-ROM. <b>UPD</b> indicates an update since the last issue. <b>REM</b> indicates a removal since the last issue. A blank space indicates no change.
Category	The documentation category bookshelf under which a product appears in the Bookshelf Navigation Utility (BNU).

### \_\_\_\_\_ A Note About Document Versions and Product Versions \_\_\_\_\_

In some cases, the product version numbers listed in Table 1-1 may not coincide with the version numbers of the books on the disc. However, the online documentation does support the current shipping version of the product.

---
